## Fenway High School

Class of 2003

Luz Padua Director

Kevin Brill Associate Director

Beloved Seniors,

It is hard to believe that you are about to enter the adult world as Fenway High School graduates—it seems like yesterday you were young freshmen. Although it has not always been easy, you have proved to yourselves that you can accomplish your goals with hard work and dedication. You may not know what your future holds exactly, but know that you have greatness within you waiting to take hold of your life. As you look back at your Fenway experience and your treasure of memories, remember the life skills that we have taught you...believe in yourself no matter what!

You have been in a loving, supporting community. Fenway, through the faculty and your fellow students, has given you the tools that you need to become the women and men you are called to be. You have shown your worth these past years. You are capable of being critical thinkers, warm and loving, gentle and caring, strong and challenging, durable and flexible.

Go forward and remember that you take us with you—work hard, be yourself, do the right thing. We look forward to hearing from and about you. We send you in our name to make ou world a better place because of your contributions. We wish you the best life has to offer. Never forget, you have been blessed with gifts, please share them with the world. And when times get tough, remember...SI SE PUEDE!

My love and best wishes,

Ms. Padua

I thank Fenway for being a supportive environment. This environment has allowed me to grow in a way I could not have anywhere else. Furthermore, I would like to thank the museum of science for helping me discover and facilitate my love for teaching. It would be an honor to later give back to either, if not both, these generous institutions. Thank you once again.

I will miss everyone and hope you succeed in life. Don't ever let the world get the best of you. Keep your head up and never look down. We did not make it this far for nothing. Best of luck to the senior class, and the soon to be seniors. Work hard, be yourself, and do the right thing!
